PUBERTY AND BODY CHANGES

We have arranged for the School Nurse to come into the School during the Summer Term to speak to the Year 6 children.

The session will include a talk and the showing of a video/dvd. At this time, the children will be given the opportunity to ask any questions they may have. If we do not hear from you we will presume that you give your consent for your child to take part.

If you have any further concerns please raise them with Miss Gregory or the School Office.

One of our parents has been in communication with Welwyn Hatfield Council for a number of months raising concerns about the ongoing litter problem on the Estate outside the School. She volunteered to take part in the adopt a road scheme. Along with her daughter they regularly litter pick Sir John Newsom Way and Purdom Road as unfortunately there are no rubbish bins along these roads. They have, in the past seen children from Creswick just throwing their litter on the ground. Can you please ensure that you encourage your children to take their litter home with them as I am sure you will agree that it not only looks horrible but is very damaging to the environment.
