Year 6 library trip. "Year 6 walked to the Campus Library to meet the Author Piers Torday. He talked to us about his book—"The Last Wild" and how he became an author. The library was very big with thousands of books. He talked to us about his inspiration and how he met Roald Dahl when he was younger. He also talked about his childhood. He told us how he started to write a story when he was young but gave up after 14 words because he thought he would get embarrassed and made fun of by his friends. However, as he got older he went on to write 3 successful books" by Salma and Jay.
