### GDPR (General Data Protection Regulation)

You will have noticed this week that we have contacted you regarding the forthcoming new legislation regarding data protection and information we hold regarding your child. This will come into force from May 25th 2018 so we ask you to return the letters to the office as soon as you can. These letters involve giving permission for sharing information with school photographers, your permission for your child's images to be used on facebook etc. Your urgent co-operation is appreciated. To reduce paper usage we have emailed these out, however, if you require a paper copy please pop round to the office where there are copies.

We do need an original signature, an email reply will not be sufficient. If you need any further information please do not hesitate to contact your class teacher or a member of the office.
