DINNER MONEY YEARS 3—6

As we are nearing the end of the school year, all dinner money accounts need to be brought up to date.

Please ensure that there is enough money on your child's account to pay for all the dinners to be taken before the end of term.

Any debts that are outstanding at the end of the school term are referred to Herts County Council for their legal department to collect.

We do need time to bank monies before the end of term so the deadline for payments will be 18th July 2018. Payments which are made on the gateway can only be made up until that date also.

Please feel free to contact a member of the school office if you require the amount outstanding due for your child.

Cost is £2.40 per day / £12 per week
